## GENERAL

Both our studios are located within an old secret church, just a few steps away from the famous Noordermarkt and Haarlemerdijk. The building combines a modern, purpose built layout with a unique history. This beautiful, light filled area is both spacious and practical with a distinguishing landmark rarely found in a commercial building. The perfect creative environment for making your film and photo concepts reality.

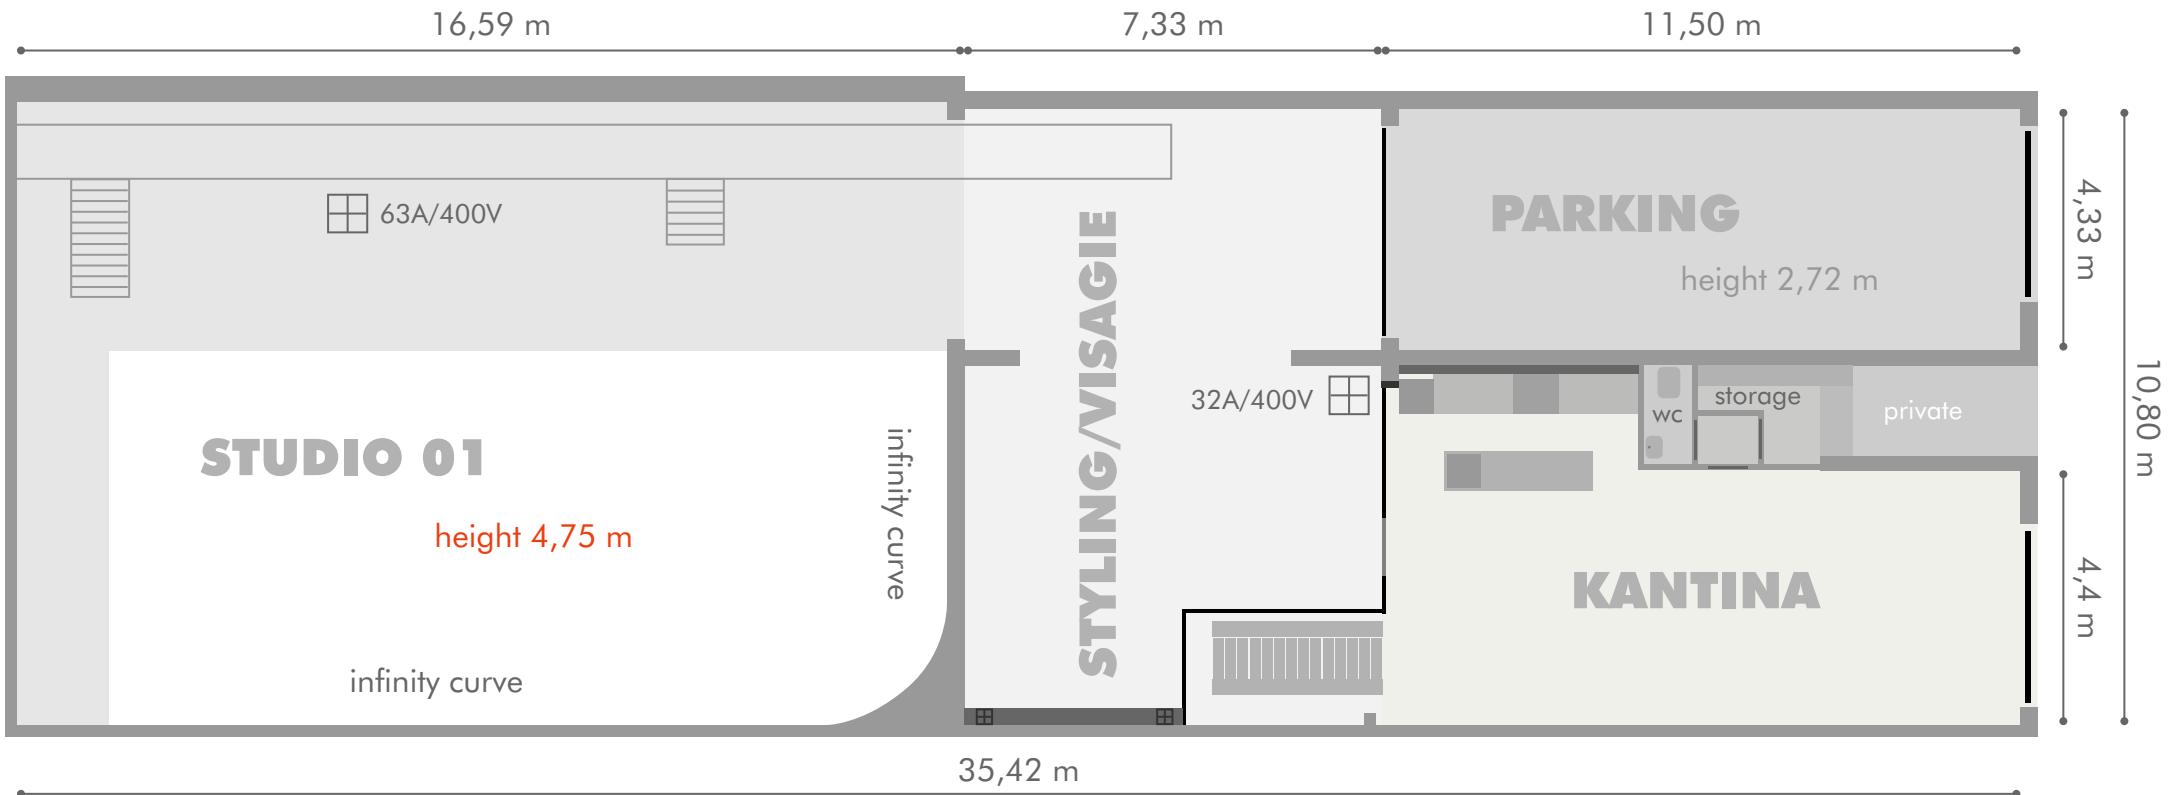

Studio 01 is one of the most practical rental studios in Amsterdam with two indoor parking spots on request. A total floor space of approximately 400 m<sup>2</sup>. Ideal layout with around 170 m<sup>2</sup> of shooting area, private make-up/styling area, a lively coffee and dining section. Each day our personal chef prepares fresh, healthy meals on request. Whether you are producing photo or film, we provide tailored support to ensure your individual wishes and requirements are satisfied and put into practice. If necessary we can also arrange for professional assistance from all fields of production.

In addition, the location in the centre on the most beautiful canal of Amsterdam provides the perfect infrastructure for your production, with hotels, restaurants, clubs, specialty shops, art galleries, designer fashion shops, etc., all within walking distance.
